Work Experience

August 2019 – Present
Web Design & Operations • YHWH Apparel
- Create/update YHWH website from scratch to fit each semester's needs/theme
- Contact and deal with all online customers via StoreEnvy and email
- Use queries in Google Sheets to manage, update, and analyze monthly sales data
- Lead weekly meetings and debriefs for the whole team

June 2019 – January 2019
Copyright Management, Design, and Production Intern • Star Fabrics
- Shadowed copyright managers, designers, accountants and sales representatives in order to learn the workings of the company
- Trained in basics of Adobe Photoshop & Illustrator, extensively in Microsoft Excel (SQL), MOD2 (company specific accounting program), and direct customer & supplier communications
- Aided in textile design, copyright and patent creation, copyright payment, and product shipment processes

Projects

YHWH Apparel Website
- Worked on a team of three in order to create a website to showcase YHWH apparel's merchandise, team members, mission statement, forms of communication, and methods to purchase merchandise

Kingpin Donut Website Redesign: Mid-High Fidelity Mockup
- Collaborated with partner to create a redesigned mockup of local donut shop website that was poorly designed, utilizing better design principles and animations to improve the user experience overall
